RE: *Fellowship in the American Society of Nephrology (FASN)*

Dear Dr. ANSARI:

Congratulations! I am pleased to inform you that your Fellowship application has been approved and we have enclosed your FASN certificate.

The FASN designation celebrates and recognizes our members who have achieved a distinct level of excellence in clinical or investigative nephrology or pathology, ongoing postgraduate education and in providing a continuing service to the Society and/or community.

We encourage you to use the suffix, FASN, after your name in all personal and professional correspondence and work.

Congratulations again, on being among our first-designated Fellows!

Sincerely,

Bruce A. Molitoris, MD, FASN
President
