HEALTH CARE

# Mercy honors Ansari

CLINTON — Dr. Anis Ansari has been honored by the Executive Leadership team at Mercy Medical Center – Clinton for his continuing efforts to guide and inform the community both in disease processes and medical concerns in the healthcare arena.

He was recognized for outstanding efforts in educating the community on important healthcare and spiritual issues. The award was presented by Amy Berentes, interim CEO of Mercy Medical Center – Clinton.

Ansari

phrologist. As part of the Clinton community for more than 19 years, he has published more than 45 medical articles and an additional 35 varied topic publications.

Ansari has been

His practice has spanned more than 25 years as both a Board-certified internist and ne-

honed to serve as Department of Medicine chairman and medical staff secretary/treasurer several times during his tenure with the organization.

A native of India, Ansari has returned and established a college in his father's name and has been educating students for the past 24 years. He facilitates and conducts numerous healthcare camps, with free medicine distribution on most of his visits home at multiple sites throughout the country.
